Dear Darwin Community member,

**Casuarina Storm Swimming Club is seeking your sponsorship support for the 2023/2024 season.**

Casuarina Storm Swimming Club is a non-profit swimming club affiliated with Swimming Northern Territory. The basic objectives of the Club are:

- To promote and encourage participation in swimming.
- To promote recreational swimming as an activity to improve the health and well-being of its members within a supportive, friendly, family focused environment.
- To encourage and support its members in their pursuit of competitive swimming.

As a non-profit sporting club, we rely heavily on fundraising and sponsorship from local dignitaries, businesses and swimming families to assist in the promotion of swimming in the local community. Despite the temporary closure of our home pool at Casuarina, our membership continues to grow.

We understand that sport participation can be expensive for parents so we do all we can to minimize the cost to families. To encourage participation, retain membership and keep costs affordable, the Club actively fundraises to provide free social activities for its members, these include team building activities and regular Club Night racing with free BBQ dinner. The Club also fundraises heavily to enable us to purchase new training equipment for its members.

On behalf of Casuarina Storm Swimming Club, we invite you to consider the following Sponsorship Packages for this season:
